GERASIMOS RAFTOPOULOS OR SPOZIS

Among the Ithacans settled in Sydney, we must also include Mr Gerasimos E. Raftopoulos, who comes from the village of Aghia Sarandi.

After a sojourn of some time in America, he came to Australia some years ago, where he owns a profitable shop located in one of the most central locations in the great city of Sydney.

THEODOROS I. MINOUKOS

Mr Theodoros Minoukos is a product of the athletic life and particularly of wrestling, in which he has won many and various prizes that decorate his breast.

Mr Th. I. Minoukos with his sister

Mr Minoukos comes from Kythera and has been settled since 1910 in the small town of Kyogle, in New South Wales. All the inhabitants of the town have offered him their undivided love, it being well known that the Australians worship sport.

He came to Australia in 1900, where, thanks to his strong willpower and persistence, he opened his shop, having as his companion his charming young sister, just arrived from Greece.

SPYRIDON NIK. ANDRIKOPOULOS

Hailing from Xylokastro, the sympathetic young Mr Spyridon N. Andrikopoulos (Andrew) spent some years in America, before coming to Australia in 1910, at the age of just 19 years.

After two years of work alongside fellow Greeks, he founded, in partnership, two profitable establishments, one of which is a hotel, in the great city of Sydney.

Unfortunately, the supervening death of his partner blocked the road

to progress in this direction for the young man, who was still at the beginning of his business activities.

Mr Andrew is a young man of great activity and energy. He has a perfect command of English and is distinguished for his *savoir faire*.

He is the president of many notable bodies in the country town of Cobargo, in New South Wales, where he owns and manages a shop.

The illustration included here depicts Mr Andrew, with the cup awarded him by the *Cobargo Football Club*, in recognition of his splendid service as President of the Club.

His commercial name is *S. Andrew*.
